

- Sample source descriptions -
- Use aerial photographs / Ron St. John report to "identify disposal sites?"
- Ron St. John report to reference site history (see flags)

— CS-A containment

p. 1-2 of Geography: Miller report says overflows into CS-B during heavy rains from CS-A

- SSI Report p. 2-7 has info. on industry discharge into Dead Creek; mention Sanitary Water Board Ways. Can we get those? Also ~~\$4,000 award~~ to citizens (1942 Report to SWB)
